**"Invade The Impossible"**

Business shipwrecked on the rocks of economic reversals!

Medical reports silently screaming "Cancer!"

Constant pain with no reprieve in sight!

Blockades on the highway to happiness!

Wondering what to do next!

Everyone comes here at some time. Some more frequently than others. Faith dims. At this point you are ready for an answer.

Ready, because you are desperate.

Ready, because nothing you tried has worked.

Ready, because you are at wits end cornered with no way out.

At this point, there is only one option left—THE AVENUE OF PRAYER! You got to be kidding you say! What difference would prayer make? It's not so much the prayer as it is the OBJECT of your prayer. Who are you addressing? ....GOD!! If God is in your boat of life, you will never sink or drown. At this point in your life, He is the ONLY ANSWER!

With God, face your Impossibility by INVADING IT! Not in anger. Not with resignation. Not through stoical self-control. But with force—PRAYERFUL FORCE! PRAYERFUL ENERGY! Because you are desperate!

Pray an entrance from impossibility to reality!

Pray with predestined certainty!

Pray with the knowledge that "I can do all things through Christ who strengthens me!" (Philippians 4:13)

Prayer is not the mystical experience of a few special people; rather, it is an aggressive act in the face of impossibility. An act that can be performed by anyone who will just pray.

The result: "All things are possible with God" (Matthew 19:26)

Enjoy the warmth of the weather. See you in church Sunday. I will be preaching on: ***"You Just Can't Make Up This Stuff!"***

Blessings,
