LIVES...

“We make a living by
what we get,
but we make a life by
what we give.”

~ Sir Winston Churchill

Pay It Forward Design

is dedicated to serving our business community and building non-profit partnerships.

We understand that operating a nonprofit organization means finding support. Through generous grant funding from the Porter County Community Foundation, Frontline has expanded our Recovery through the Arts program.

Pay It Forward Design is foundational in generating greatly needed revenue, creating a self-sustaining organization, while also providing our clients valuable and marketable employment skills.

Our custom graphics include:

- Custom Design Banners, Prints & Posters
- Specialty Canvas & Fine Art Reproductions
- High Quality Large Format Printing

Our graphic design team of professional artists and Frontline graduates come along side you, equipped with the tools, talent and technical expertise needed to fulfill your design needs. There are no ad executives and no sales force. Only our team of artists, and their passion for design.

Please call us to schedule a tour of our facility or to set-up a free design consultation.

Or visit our website!

Our first priority, at Frontline is to serve as a source of hope to young men and women suffering from alcohol and drug abuse, while also providing an effective treatment and recovery support system.

Pay It Forward proceeds benefit Frontline client treatment scholarships.
